

Author Guidelines

The journal, “SATSA Mukhapatra-Annual Technical Issue” (ISSN 0971-975X) publishes invited review papers, full length original research papers and short communication. The paper should be organized as: Title, Author(s) with affiliating address including E-mail ID, Abstract, Key words, Introduction, Various Sub-heads in the Running Text (For review papers), Materials and Methods, Results and Discussion (For research papers), Epilogue/ Conclusion, Acknowledgement (if any), References and Tables/ Figures (if any). The manuscript should neatly be typed in Times New Roman (12 pt.) on one side of the standard A-4 size bond paper (approx. 21 cm x 29 cm) only and double spaced with sufficiently side margins (4-5 cm) and page numbers. The text should be prepared using standard software (Microsoft Word). Authors are advised to consult a recent copy of the journal for correct style and format.

The title of paper should be specific and concise. The by-line should include name(s) of the author(s) and address of the institution where the research has been carried out. If authors are of different institutes, these can be mentioned by allotting number like 1, 2 or 3 as superscript over the name of author. Change of affiliating or mailing address of the corresponding author should be given as foot note. Abstract should be brief and in a single paragraph of not more than 200 words, followed by 5-7 key words. Each key word should be started with capital letter and separated by comma from other words.

All references quoted in the text must be within the last 10 years and appear at the end of the paper and vice-versa. The references should include name and title of author(s), year of publication, full title of the paper, full name of the journal /book in italics (no abbreviations), volume number (in bold), issue number (in brackets) and pages. For book, monograph and thesis, full title in italics, publisher or university name, volume no. (if any) and relevant page range or total no. of pages should be given. The list of references should be arranged alphabetically on author's title and chronologically per author. A few examples of correct citation of references in the list are given below:

Adhikari, P., Sen, D. and Uphoff, N. 2010. System of rice intensification as a resource conserving methodology: Contributing to food security in an era of climate change. *SATSA Mukhapatra-Annual Technical Issue* **14** : 26-42.
